

The Chicago & North

Western Lives!

The Heritage Unit

The C&NW Heritage unit was unveiled on Saturday, July 15, 2006 and put on display at the CPT. **Mark Llanuza** was there and sent us these shots.

We expect others will be catching the UP 1995 from time to time and there is plenty of space here for more pictures. Send them to the [webmaster!](#)

A month later, **Louis Wilson** photographed it at Merrilan, WI, and 8 months later, **Dave Hawley** caught it passing through Rochelle, IL.

THANKS, Mark & Dave &

Louis.

On August 14, 2006, the Heritage unit stopped for a meet with a westbound train at Merrilan, WI. **Louis** two of the train waiting for the westbound, a view out of the cab and the last one of the tra

Dave Hawley caught the Heritage Unit & the last two remaining C&NW units at Rochelle, IL on 3/11/07. They are handling Train MPRCB-11 and we see it passing the Rochelle Railroad Park.

Here's the UP 1995 on Train MPRCB-11 Saturday morning, July 15, 2007.

Illinois Division Engineer **Rex Hauser**.

Westbound at LaFox, IL on Train MPRCB-11 Sunday, July 15, 2007.

In the right-hand photo above, almost out of the picture, is **Tom Moran**, Manager of Signal Construction for **Eldridge** for identifying **Tom**. We are still wondering about the others in these three pictures. Someone know, by clicking [here](#).

A large Chicago & North Western "System" herald is on the sides of the engine.
