

Semi Annual Report January thru June 2026

The last 6 months have been very quiet. We had an excellent response on the renewals sent out to the members, again they paid for 2 years or more membership. This in turn helps with the cost of sending renewal and membership cards, since once again postage is going up.

Please continue to forward info regarding the status of members. It really helps to keep the records and Annual Report accurate. Information can be forwarded by telephone, email or US mail. In addition, if you hear of the death of a member, giving me the actual date of death and location is very helpful in getting a copy of the obituary for the records.
